

## FDBA Domestic Coaches Drill Book: Shooting

Name: Partner Shooting

Drill No: C11

Diagram A.

### Description:

Partner players up with one ball between two.  
One player is a rebounder and passer for two minutes.  
Shooters must catch and shoot for two minutes making as many baskets as possible.

### Variations:

Player catch on 3pt line and take one dribble towards hoop before shooting.

### Points of Emphasis:

1. Catch the ball in set point.
2. Step in to receive the ball.
3. Only shoot within your range
4. Passer must pass to shooting side shoulder
